## Chopard Annual Dinner and Party

*Friday 17 May 2024*

One of the most exciting parties on the roster last year was the Chopard Secret Night Party. Nothing stirs intrigue quite like the word 'secret', and sure enough, the evening did not disappoint. Last Year the luxury jewellery brand held a magical dinner and soirée, which included a surprise performance by world-renowned Latin superstar Enrique Iglesias, singing his most famous hits including "Tonight" as well as a music set by none other than DJ Cassidy. Cathy Guetta hosted while Rihanna debuted her collaboration with the brand at the party, held at Port Pierre Canto and Bruno Mars performed.

The annual Cannes Film Festival is one of the most celebrated events each year, given the grandeur of the red carpet and the number of A-list celebrities in attendance; last years guests have included supermodels like Will Smith, Kendall Jenner, Julianne Moore, Bella Hadid and Adriana Lima. Other prominent names seen at the Chopard Secret Night Party were Stella Maxwell, Marion Cotillard and Julianne Moore.
